

1. So Far To Find You

Casting Crowns

You were broken, abandoned and crying all alone
We were waiting and praying and longing to bring you home
And then we saw your face
In a moment you were wrapped up in our hearts
We took a step of faith and now here we are

*Will you let me hold you in my arms tonight
I have come so far to find you,
so far to find you
Will you take my love and give up the fight
I have come so far to find you,
so far to find you*

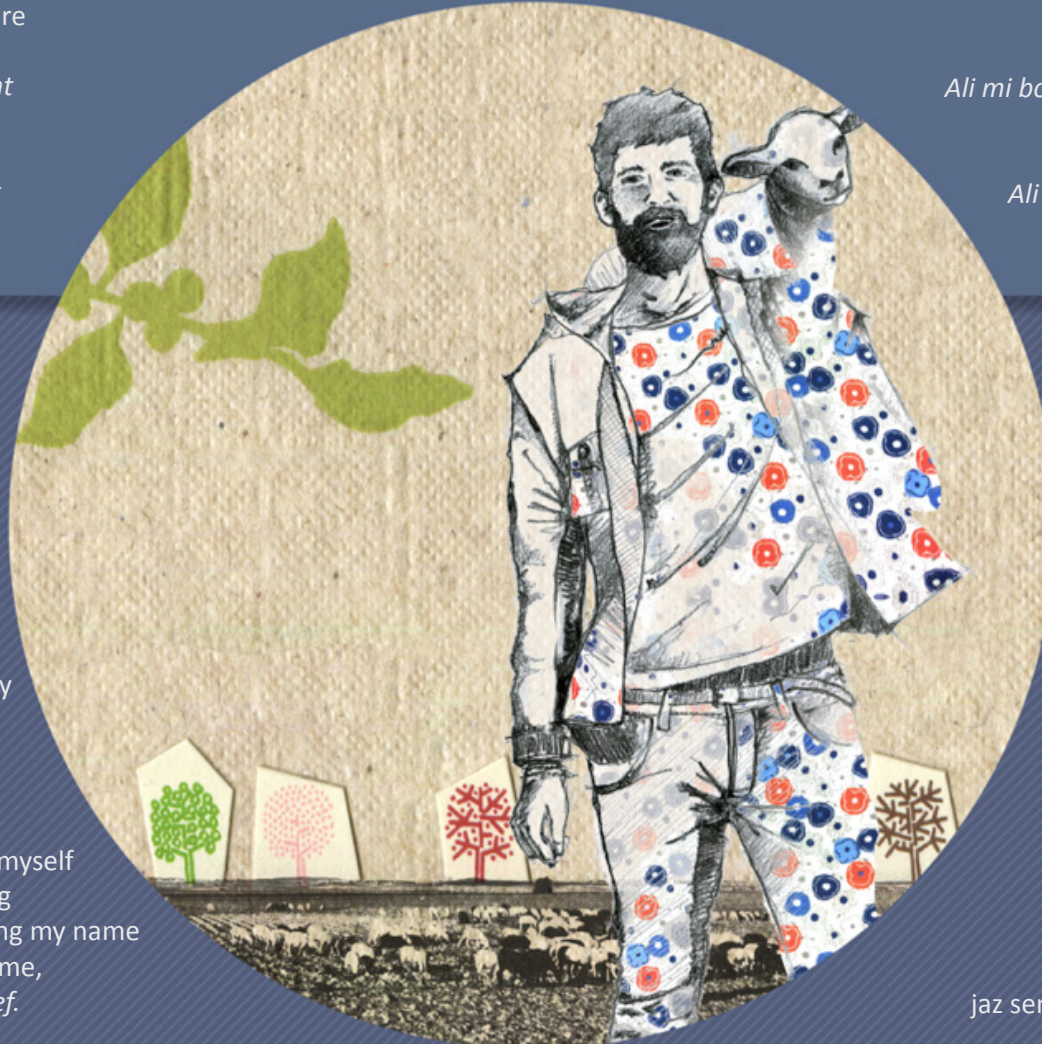

From a world away I journeyed
just to hold your hand
You will never be alone again
I've come so far to find you,
so far to find you

You were fighting and fearful,
you were hiding your heart away
But I was trying so hard
to show you,
'cause there were no words that I could say
If you could see my heart
You would know that all I want to do
Is care for you - Ref.

Here in your eyes I see reflections of myself
How I'm the child that's really running
But I can hear a voice that's whispering my name
Saying »Come to me, don't run from me,
I'm all you need and I am calling« - Ref.

From Heaven's throne down to a rugged cross I came
It was my love for you that brought me all the way
So far to find you, so far to find you

You were broken, abandoned and crying all alone ...

1. Tako daleč, da bi te našel

Casting Crowns

Bil si zlomljen, zapuščen in si jokal, čisto sam.
Čakali smo in molili in hrepeneli, da bi te pripeljali domov.
In potem smo videli tvoj obraz
in v trenutku si bil ovit v naših srcih.
Naredili smo korak vere in zdaj smo tukaj.

*Ali mi boš pustil, da te bom to noč držal v svojih rokah?
Prišel sem tako daleč, da bi te našel,
tako daleč, da bi te našel.
Ali boš sprejel mojo ljubezen in se nehal bojevati?
Prišel sem tako daleč, da bi te našel,
tako daleč, da bi te našel.*

Iz drugega sveta sem pripotoval,
samo da bi prijel tvojo roko.
Nikoli več ne boš sam.
Prišel sem tako daleč, da bi te našel,
tako daleč, da bi te našel.

Bojeval si se in bil prestrašen,
skrival si svoje srce.
Jaz pa sem se tako močno trudil,
da bi ti pokazal,
ker ni bilo besed, ki bi jih lahko izrekel.
Če bi lahko videl moje srce,
bi vedel, da je vse, kar želim,
skrbeti zate. - Ref.

Tukaj, v tvojih očeh, vidim svoj odsev,
kako sem v resnici jaz otrok, ki beži,
a slišim lahko glas, ki šepeta moje ime,
pravi: »Pridi k meni, ne beži pred mano,
jaz sem vse, kar potrebuješ, in te kličem.« - Ref.

Z nebeškega prestola sem prišel dol na grobi križ,
moja ljubezen do tebe je bila tista, ki me je vodila vso pot
tako daleč, da bi te našel, tako daleč, da bi te našel.

Bil si zlomljen, zapuščen in jokal, čisto sam ...
