

7. Dream For You

Casting Crowns

Hey, David, I hear you've been dreaming
About being a big time shepherd some day
You're gonna prove your brothers wrong
You're gonna sing your shepherd song
To the cattle on a thousand hills
But I've been thinking ...

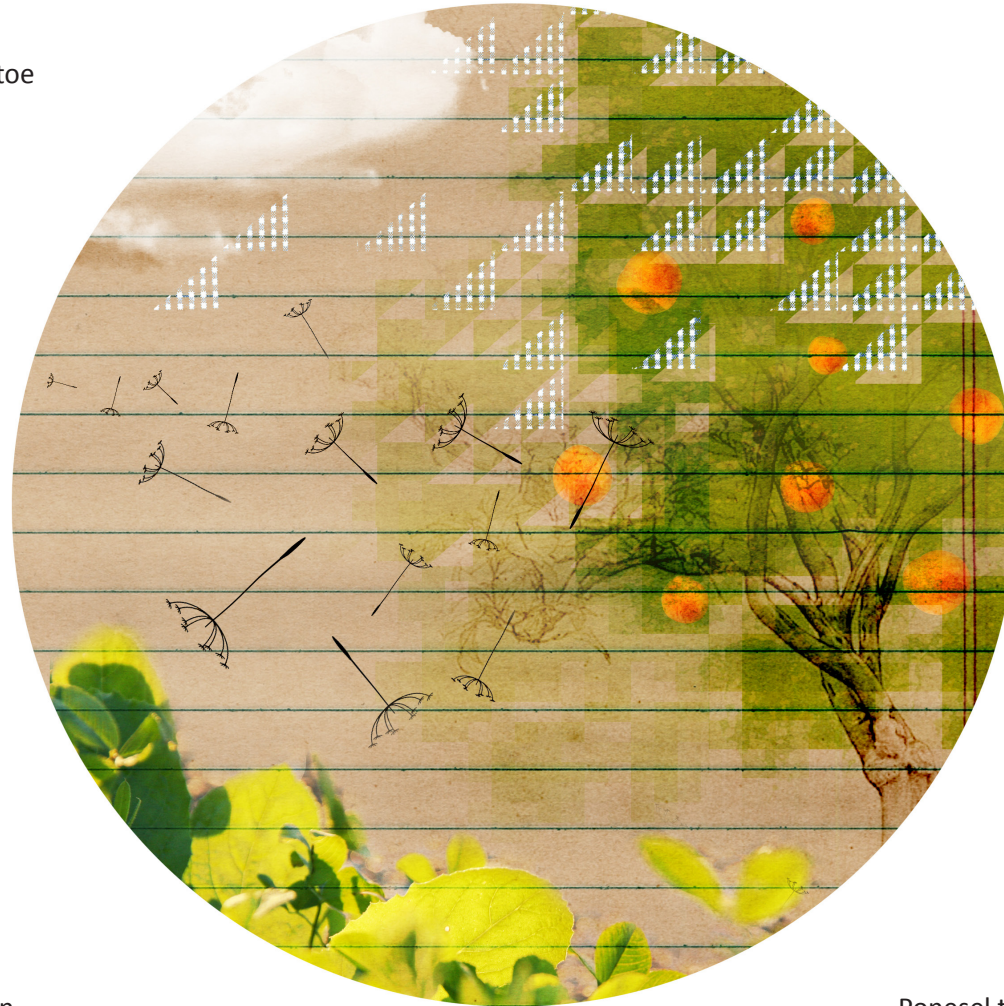

I'm having trouble with a giant down the road
You're the one who's going to face him toe to toe
Wipe that grin right off his face
And whip this army into shape
I'm going to turn the nation back to Me
And David, you're right about one thing
Your little shepherd songs
Are going to make the whole world sing
And I'm gonna make you king

*So come on, let Me dream, let Me dream for you
I am strong when you're weak and I'll carry you
So let go of your plan,
be caught by My hand
I'll show you what I can do
When I dream for you
I have a dream for you*

Hey Mary, I've heard you've been dreaming
Making plans for your big wedding day
You and Joseph are gonna be
The picture perfect family
Maybe a couple of kids down the road
But I've been thinking ...

Even before time began
I had a picture perfect plan
Of how to save this broken world
Through the life of just one man
I'm gonna send my only Son
And Mary, you're the one
You were right about one thing
You're gonna have that family
And you're gonna raise a King - *Ref.*

I'm stronger than you think I am
I'll take you farther than you think you can
You sing and call me Great I Am
So take your stand
My child, if you only knew
All the plans that I have for you
Just trust me, I will follow through
You can follow Me - *Ref.*

7. Sanje zate

Casting Crowns

Hej, David, slišim, da sanjaš,
da bi nekega dne postal velik pastir.
Svojim bratom boš dokazal, da se motijo,
pel boš svojo pastirsko pesem
čredam na tisoč hribih.
Toda razmišljal sem ...

Imam težave z velikanom tamle ob poti.
Ti si tisti, ki se bo soočil z njim iz oči v oči,
zbrisal tisti nasmešek z njegovega obraza
in oblikoval to vojsko.
Narode bom obrnil nazaj k sebi.
In, David, eno stvar si imel prav:
tvoje male pastirske pesmi
bo pel cel svet.
In naredil te bom za kralja.

*Zato mi pusti, da sanjam zate.
Močen sem, kadar si šibek, in te bom nosil.
Zato prepusti svoje načrte,
naj te ujame moja dlan.
Pokazal ti bom, kaj zmorem,
ko sanjam zate.
Imam sanje zate.*

Hej, Marija, slišim, da sanjaš,
da delaš načrte za svoj veliki poročni dan.
Ti in Jožef bosta
popolna družina,
morda z nekaj otroki v prihodnosti.
Toda razmišljal sem ...

Celo še preden se je začel čas,
sem imel popolni načrt,
kako bom rešil ta zlomljeni svet
z življenjem enega samega človeka.
Poslal bom svojega edinega sina.
In, Marija, ti si tista.
Prav si imela eno stvar:
Imela boš tisto družino.
In vzgajala boš Kralja. - *Ref.*

Močnejši sem, kot si misliš.
Ponesel te bom dlje, kot si misliš, da lahko prideš.
Poješ in me kličeš Veliki Jaz sem,
zato se odloči.
Moj otrok, ko bi le poznal
vse načrte, ki jih imam zate.
Samo zaupaj mi, popeljal te bom do konca,
lahko mi slediš. - *Ref.*
